A highly motivated and enthusiastic individual with a passion for artificial intelligence and its transformative potential. While I may not have direct experience in the AI industry, I am eager to leverage my technical aptitude and quick learning abilities to contribute to any innovative AI projects and solutions for the company. Looking forward to be intensely working with the Acme AI team and gain first hand experience.

Work History

2020-06 - 2022-01

Intern

Grihayan Ltd, Chittagong

- Grihayan Ltd is a Surveying firm specializing in 4th generation and 3rd generation digital land survey and geotechnical investigation.
- Worked in the IT and research department.
- Completed research, compiled data, updated spreadsheets, and produced timely reports.
- Analyzed problems and worked with teams to develop solutions.
- Interacted with customers by phone, email, or in-person to provide information.
- Facilitated successful completion of projects from concept to launch.
- Explored new technologies and approaches to streamline processes.

Education

2022-02 - 2023-06

Diploma: Information Technology

Monash University Australia - Dhaka, Bangladesh. Finished my first year diploma of IT from Monash University, Australia as a pathway program in Universal College Bangladesh, Dhaka.
